

CARES ACT HELPS PROVIDE FUNDING FOR BACA COUNTY

[Baca County Public Health Agency](#)

The Baca County Public Health Agency has funding available to **assist people with rent, mortgage and utilities payments. This program is set up for one-time use for residents of Baca County.** To be eligible for benefits you must be at or meet the 200% of the federal poverty line, as determined by the federal Office of Management and Budget. Proof of income, identification and residency is required.

Questions? please call Baca County Public Health Agency at 523-6621 and ask for Maria for more information or schedule an appointment for application and assistance.
