

COST SHARE AVAILABLE ON BINDWEED CONTROL

The Baca County Commissioners and the Baca County Weed Board have announced the availability of Forty Thousand Dollars (\$40,000.00) for cost sharing on bindweed control. Landowners and producers in Baca County are eligible to apply for cost share in Baca County for bindweed sprayed from November 1, 2022 to October 31, 2023.

Amounts up to, but not exceeding, 50 percent cost share may be available, depending upon the number of Baca County landowners who apply. The chemicals eligible for cost share are Tordon and generic brands of Tordon, such as Outpost 22K and Triumph. The board approved adding Quinstar to list of eligible chemicals at 25 percent cost share.

To apply for the cost share, producers/landowners need an invoice for chemical, proof of purchase in form of a cancelled check (a signed invoice for proof of payment will no longer be accepted), legal description of property, and a detailed map specifying the location of treated bindweed for the season. The cost share price of chemical will not exceed \$95.00 per gallon and cost share on rate will not exceed 24 ounces of chemical per acre for the cost share season.

This information must be turned into the Baca County Commissioners Office, 741 Main Street, Suite 1, Springfield, Colorado or emailed to bkerr@bacacountyco.gov by 4:30 p.m. October 31, 2023. For questions, call 719.523.6532.

NO EXTENSIONS OF THE DEADLINE WILL BE GRANTED.
